About us

The Smith is a casual neighborhood Brasserie with a simple mission: make people happy. We are passionate about taking great care of our employees, our guests, and our community. We are obsessed with building a positive, empowering, and supportive culture. By working closely with local farmers and purveyors that we trust, The Smith serves delicious food and drinks people crave. The menu features bistro classics, seasonal fare, and craft cocktails. Its signature lively atmosphere makes The Smith a versatile setting for an after-work bite, drinks on the town, a birthday bash, a working lunch, a boozy brunch, or an I-don't-want-to-cook-tonight night.

We are so thankful for our community that has shown such support during this difficult time. Many have asked how they can help our team members, for which we are forever grateful. We have created the Be The Smith Fund which will provide relief directly to our team in extraordinary need.
